

TREASURED FUREVA

ALWAYS TOGETHER

We kindly ask you to double-check your ring size to ensure it is correct.

*Please note that not all jewellers use the same ring measurements as we do.

To ensure your ring fits perfectly, we highly recommend using our supplied ring sizer.

**It is also worth noting that rings with wider bands tend to fit a little tighter, so you may want to size up slightly to ensure a comfortable fit.

1) Please use the supplied ring sizer, select the ring size that is most comfortable and then loop the supplied Cable Tie to the chosen ring size, and pull tight.

2) Please use the supplied spatula to gently scoop some cremains or other elements into the provided plastic bag.

Please ensure the bag is tightly sealed and place back into the screw top canister.

3) Please check the details on the attached copy of your online order and sign and date.

To return your memorial kit, please apply the supplied Return Address Label OVER the existing label and contact us by email, advising the pack is ready for collection and the agreed pickup point. I.e:
Front Door, Carport etc.

We will then arrange courier pickup from your address.

If you have any questions regarding this process, Please do not hesitate to contact us to discuss.
